

I adore hedgehogs, I enjoy doing arts and crafts and most of all, I care about teaching my language and my culture. I am a native German speaker, taught German for 21 years to the big guys (9th - 12th grade) at Poway High School, taught German in the Kinderwerkstatt for 9 years to the very little (preschool age) and to the bigger ones (middle school age). Now I am looking forward to bring joy, fun and academics to the new generation at the Kinderwerkstatt.

Ask me any questions you like and you can reach me at powayigelfrau@gmail.com
